

## **CANYON – TECHNICAL SPECIFICATIONS**

Canyon is a new product from Conneaut Leather that features the beauty of full-aniline dyed hides topped with a clear waxy coat to create a unique look. Each hide is hand finished which creates a very distressed appearance and a slight two-tone in the valleys. A firmer hand and scratch resistant properties make this leather ideal for high traffic areas.

<b>Raw Material</b>	Full Grain
<b>Finish</b>	Semi-aniline (solvent free)
