CATALINA II Powered by

Bleach Cleanable, Antimicrobial, Antibacterial, Stain Resistant

Catalina II is a top grain, lightly corrected semi-aniline leather **Powered by Crypton**, which is bleach cleanable, antimicrobial, antibacterial and stain resistant. Fully aniline dyed and highlighted by a pebble grain that imparts good yield, Catalina II is available in 25 in-stock colors. Durable and ideally suited for healthcare, hospitality, and entertainment applications, in addition to contract, Catalina II features a soft hand. Environmentally friendly, Catalina II emits low VOC's, is solvent free and contains no lead along with achieving an Indoor Advantage Gold Certification from SCS. Custom colors are also available **Powered by Crypton**.
