Showcase Eco™

Showcase Eco™ from Conneaut Leather is a beautiful full grain leather that combines a high quality look and feel with performance. Showcase Eco™, tanned using vegetable based products, is chromium free and biodegradable. Pure aniline dyed hides are finished with solvent and lead free pigments in a contemporary choice of colors, which enhances the versatility of the product and highlights the characteristics of the full grain hides. Showcase Eco™, which is GSA certified, is stocked in 24 colors. Showcase Eco is environmentally friendly, emitting low VOC's and achieving an Indoor Advantage Gold rating from SCS.
